

We believe in a radiant and greener tomorrow.

ESG¹ is in our DNA

“A **RESPONSIBLE** corporate citizen, pioneering the solar industry since decades.”

SUSTAINABLE practices in our factories and operations, certified by independent advisors such as SEDEX and MSCI².

Solar panels **AS CLEAN AS THE ENERGY THEY PRODUCE**, throughout their entire life... 40 years and more.

A **RECOGNIZED SUSTAINABLE LEADER**. Maxeon included in the 2023 Coporate Knights Global 100 index, earning a place in the top 1% of the world's most sustainable companies³.

Signatory of the UN Global Compact

With our commitments focused on four sustainable development goals.

By broadening our sustainability strategy to a global ESG platform, we can make an even greater impact on the communities we serve. It's a commitment inspired by our company purpose, **Powering Positive Change.**

1. Environmental, Social and Governance

2. MSCI is a leading provider of critical decision support tools and services for the global investment community. MSCI ESG Ratings range from leader (AAA, AA), average (A, BBB, BB) to laggard (B, CCC). Maxeon received its first rating in Apr 2022 and improved its scoring to "AA" in 2023
